WELCOME TO WEEK 8

NEW SUN SHADE: I was notified last week that our school has won a brand new shade marquee valued at over \$2000. This is in recognition of our Sun Smart Policy, no hat no play rules and consistent application to the guidelines. The marquee is being constructed and printed with our school logo and should be ready early next term.

WATER FILTER SYSTEM: Over the next two weeks a new filtered water system will be installed in all the student bubblers in the school. The system will also include a tap for water bottles to be filled. This is a result of a donation by the Iluka/Woombah Rotary club and we thank them for their generosity.

WET WEATHER: Once again we have been affected by the inclement weather. Whilst every effort is made to maintain routines and regularity on a day to day basis there are times when mother nature steps in and nothing can be done. Rest assured the school will remain open unless extreme conditions and road closures put student and staff safety at risk. Thank you for your understanding and patience.

NETBALL GALA DAY POSTPONED: Please note that tomorrow's netball gala day for all students in Years 3-6 has been postponed to Wednesday June 28. This means our SRC Pyjama Day fundraiser will now be postponed to a date to be confirmed.

SOCCER: At this stage the PSSA girls soccer game set down for Thursday is still going ahead.

ATHLETICS CARNIVAL: Make sure you mark down Friday June 23 on your calendars. All students have been busy practising field events, races, house chants and marching in preparation for a big family day.

STUDENT REPORTS: Student reports will be sent home next week. Teachers will be available for interviews in the last week of term. A note will be sent home with the reports outlining dates and times for those parents who would like an interview with their child's teacher.

COMMUNITY NEWS

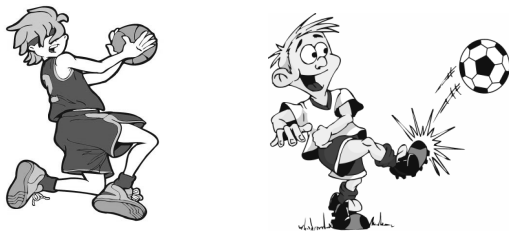

On Saturday, 24th of June the students of Chatsworth Island Public School are invited and encouraged to participate in Harmony Day at the Harwood hotel. Parents are asked to bring students to the Harwood (56 Morpeth street, Harwood) from noon-1pm. The choirs will sing songs from this year and last year, including the songs from last year's surfing the Coldstream Festival. The guitarists should also bring their guitars to perform on stage as well. Ryan will have songbooks for all the singers so no worries if you've forgotten some of the words. Please wear your school shirt so people know where you come from!

Free Come and Try BMX

Saturday 22 July 2017

Two Free coaching and training Sessions for new riders to gain basic bike skills and confidence to ride on the BMX track. Arrive at 10 for 10.30am-12noon session or arrive at 12.30 for the 1pm-2.30pm session.

This is a great opportunity for anyone who rides a bike and is interested in having a ride on a BMX race track. Riders of all ages from 2 years up can join in the fun and have a ride around the BMX track. BMX is not just for the boys - the number of girls riding and racing BMX bikes is on the increase throughout Australia. The great thing about BMX as a sport is that the whole family can get involved, and all the family can do the same sport at the one place and time. Riders and spectators will experience the thrills and excitement of this family orientated sport.

Bring along a **good working order bike** (Bike size can be from a 16 inch BMX to 26 inch mountain bike or strider balance bikes for the very young) and **safety gear** - bike helmet (preferred full face) long pants and long sleeve shirt, shoes and socks that cover the ankle, gloves (any type will do). *If you do not have some of the safety gear, ask at the canteen on the day as we do have a limited number of helmets and gloves to loan out.*

The club will have someone on hand to checkout your bike and help with making it safe to ride.

A sausage sizzle will be available throughout the break, allowing you to get to know club members and find out more about our club and the sport. Stay around after the last session and join in our GM to find out what is happening in the club.

Tell all your friends and your parents.

The Clarence Valley BMX Club's race track located at the corner of Abbott and Vere Streets in South Grafton.

More information is available at the **Clarence Valley BMX Club's website** and updates on the **Clarence Valley BMX Club facebook page** or call Club Secretary Taya on 0451 456 150.
