## CANTEEN REPORT

Hi all welcome back. I had a holiday and I hope you did too. We are off to a new start this term with a set menu. This will be attached to the newsletter every week if need be. The menu will change in term 4 to suit summer season. This gives all children the choice. It will cater to the whole school. Orders in on the Wednesday please. This also opens the door to the canteen to those that can-do prep as they can't come in to volunteer to work in the canteen on a recess on Wednesday or for part of the day on the Friday for lunch and recess.

Jenny Allen takes care of the roster and she is putting one together for the term her number is 0428494424. The canteen committee have created a welcome pack for the canteen volunteers. This includes a Code of Conduct sheet, Opening and closing procedures, a list of volunteer numbers so you can swap your duties if need be, a working with children check that we file in the office for protection of privacy, this needs to be done before you can work as a volunteer in the canteen on school grounds. Mrs O' Connell has them in the office if you can't get one from the canteen.

Chatsworth Island school is running the canteen at the small schools' athletics carnival in Iluka on the 28/7/17. I will be needing help beforehand to prep and on the day to make the canteen a success. I greatly appreciate all the help I can get as we have a great little school and all hands-on deck make light work for all.

My number is 0452459634. Thanks Michelle canteen coordinator

## ***Free Come and Try BMX***

**Saturday 22 July 2017**

**Two Free coaching and training Sessions** for new riders to gain basic bike skills and confidence to ride on the BMX track. Arrive at 10 for 10.30am-12noon session or arrive at 12.30 for the 1pm-2.30pm session.

This is a great opportunity for anyone who rides a bike and is interested in having a ride on a BMX race track. Riders of all ages from 2 years up can join in the fun and have a ride around the BMX track. BMX is not just for the boys - the number of girls riding and racing BMX bikes is on the increase throughout Australia. The great thing about BMX as a sport is that the whole family can get involved, and all the family can do the same sport at the one place and time. Riders and spectators will experience the thrills and excitement of this family orientated sport.

Bring along a **good working order bike** (Bike size can be from a 16 inch BMX to 26 inch mountain bike or strider balance bikes for the very young) and **safety gear** - bike helmet (preferred full face) long pants and long sleeve shirt, shoes and socks that cover the ankle, gloves (any type will do). *If you do not have some of the safety gear, ask at the canteen on the day as we do have a limited number of helmets and gloves to loan out.*

The club will have someone on hand to checkout your bike and help with making it safe to ride.

A sausage sizzle will be available throughout the break, allowing you to get to know club members and find out more about our club and the sport. Stay around after the last session and join in our GM to find out what is happening in the club.

Tell all your friends and your parents.

**The Clarence Valley BMX Club's race track located at the corner of Abbott and Vere Streets in South Grafton.**
