## WELCOME TO WEEK 7

**AWARD WINNERS** - Congratulations to our Merit Award winners for this week: Freddie, Alivia, Olive, Brayden, Isla, Monique, Alora, Elizabeth and River. Champion Award- Stanley.

**WATER WISE ACCREDITATION** - Last Friday we were joined by Jane Noack, a representative from the Water Wise team. Jane conducted workshops with the students on the importance of conserving water and strategies we can use. Students learnt how to read meters, calculate wastage and water bills and then the senior students conducted a water audit of the school. The results were quite pleasing and we are well on the way to achieving our water wise accreditation for the next three years. The data goes to council and a representative will officially recognise our school as a Water Wise school in the coming weeks.

**HEALTH CONDITIONS AND CONTACT DETAILS** - With the new school year well under way I would ask that parents please update their contact details and notify the school of any health concerns or changes your child may have. There have been several occasions where contact details have been incorrect and students have an asthma puffer in their bag or tell a teacher about a medication they are taking or a new allergy. This information needs to be recorded and is essential to the health and wellbeing of your child.

**CRICKET** - Congratulations to the Senior Cricket team on their match against Iluka last week. Although we were beaten, the improvement throughout the game and positive encouragement of each other was wonderful to watch. Well done boys and girls and thank you to the parents for assisting with transport.

**ISLA LENARD**

**SCHOOL PHOTOS** - School photos will be taken this Thursday. All envelopes must be returned before the day. Remember every child needs to return an envelope. Families requiring sibling photos may pick up an envelope from the school office and return it by Thursday. I once again remind students and parents to ensure the correct school uniform is worn. Please no brightly coloured joggers. Thank you.

**DRUMMING** - This Friday we will once again be joined by Gabriel from Happy Africa drumming. The students really enjoyed the last drumming work shop and cultural lesson and are looking forward to Friday.

**HARMONY DAY** - We will be celebrating Harmony Day on Friday March 23. Students are encouraged to come to school dressed in clothing from another country or wearing orange. Teachers will be conducting lessons in the lead up to Harmony Day based on the theme of Harmony Day. The canteen will also be preparing some yummy lunch dishes from around the world.

**EASTER HAT PARADE** - Our Easter Hat Parade will be held on Thursday March 29. Parents are invited to come into classrooms from 12:15pm and assist the students with the construction of their Easter Hats. This will be followed by a free sausage sizzle at lunch time and then the parade and raffle draw. This is always a fantastic day on our calendar and I encourage everyone to come along. Remember the students need to bring in materials for the construction of the hats on the day and create their master pieces with their parents, family members and friends.

**EASTER RAFFLE DONATIONS** - With our Easter Hat Parade fast approaching we are asking for donations for our giant Easter raffles. Donations of Easter eggs can be left at the office any time. Thank you to those families who have already donated Easter eggs.

Have a great week
